If you do not currently hold any US Securities, we still recommend that you still complete the certification. We will hold the appropriate documentation on file for future investment decisions. Section M: Investment Services

There are six levels of wealth management services available which vary according to the level of assistance you are seeking. Please refer to the relevant Forsyth Barr Scope of Service document. Please consider and select a service that suits your requirements.

- **Investment Transaction Service:** Buying and selling investments at your instruction, with access to research on markets, securities and financial products.
- Investment Advisory Service: Personalised advice, limited to consideration of your selected investment profile, regarding your investments and financial products, with access to research on markets, securities and financial products.
- Managed Fund Advisory Service: Personalised advice, limited to managed funds from our selected range, based on agreed investment objectives. We don't advise on other investment opportunities under this service.
- KiwiSaver Advice Service: Non-personalised or personalised advice, based on your existing investment in either of the Summer KiwiSaver Scheme or the Westpac KiwiSaver Scheme, or to transfer your existing KiwiSaver account to either of these KiwiSaver schemes. We don't advise on other investment opportunities or other KiwiSaver schemes under this service.
- Premium Advisory Service: Personalised advice, with ongoing monitoring of your investments, a complete administration service, regular reporting to you and access to research on markets, securities and financial products.
- Private Portfolio Management Service: Management and administration of your investments on your behalf, based on discretion authorised by you and within agreed parameters, accompanied by regular reporting to you.

We will record your Account as an Investment Transaction service account in the absence of any selection.

For the Premium Advisory Service, Private Portfolio Management Service, Managed Fund Advisory Service or KiwiSaver Advice Service (personalised advice), you will also need to complete a Client Profile. Your Forsyth Barr Investment Adviser will then discuss an Investment Plan with you, or provide a Statement of Advice. The information requested in the Client Profile enables us to take your specific circumstances into account when providing investment advice and other personalised financial adviser services to you. It is important that we have sufficient information collected to enable us to provide you with appropriate advice.

In the case of the Investment Advisory Service, you will need to select an investment profile, based on a standard questionnaire that asks about your investing experience, investment horizon and attitude to risk.

Please contact your Investment Adviser should you wish to discuss the above.

Section N: Basis of Service

We will provide services on the Terms and Conditions set out in this Client Agreement, and on the basis of the Scope of Service for the relevant service, each as updated from time to time.

Before acting on any advice or recommendations, you should always consider the appropriateness of the advice or recommendations having regard to your specific circumstances.

Unless otherwise agreed or the service selected provides otherwise, you are responsible for the ongoing monitoring of your investments.

For more details regarding the basis of service, and the principal benefits and risks of investing and financial advice, please refer to the Terms and Conditions set out in this Client Agreement. It is important you read and understand the Scope of Service and Section D of the Terms and Conditions regarding basis of service, principal benefits and risks of investing and financial advice, and discuss any matters with your Investment Adviser.
