## FORSYTH BARR

## Forsyth Barr Commentary

Ironing out the Wrinkles: Ryman Healthcare (RYM) has had its fair share of publicised governance issues lately, but we believe it has made a large step forward here. It has replaced its longtenured auditor, fully refreshed its management team, and has a nearly fully replaced and improved board. While RYM only made a small improvement in its overall score this year, our scoring does penalise for recent historical C&ESG concerns. Therefore, we expect its score to improve further in the coming years. This year, RYM made a solid step in its Carbon score, with improved reporting and targets.
